Toán TRỪ BẰNG CÁCH Đếm BỚT

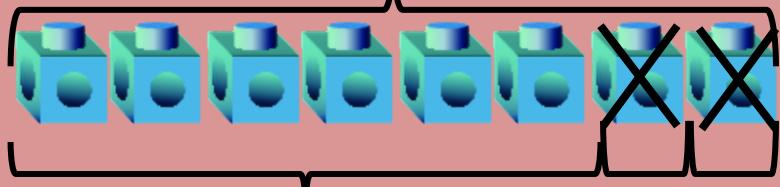

$$b = \sum_{k=0}^{m-1} \binom{m}{k} a^k b^{m-k}$$

Tiết 1

$8 - 2 = ?$

Tám, bảy, sáu.

$8 - 2 = 6$

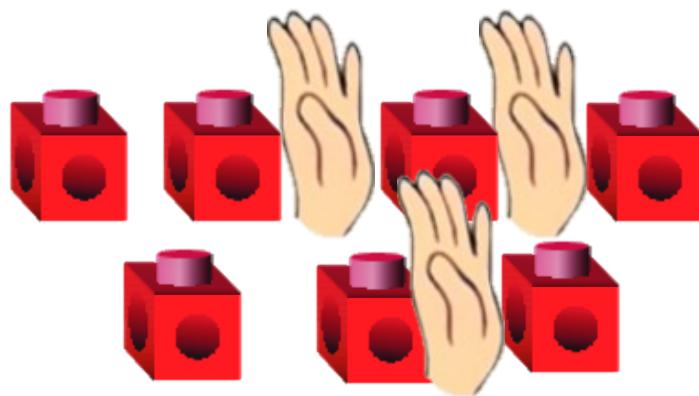

Làm theo mẫu:

Mẫu:

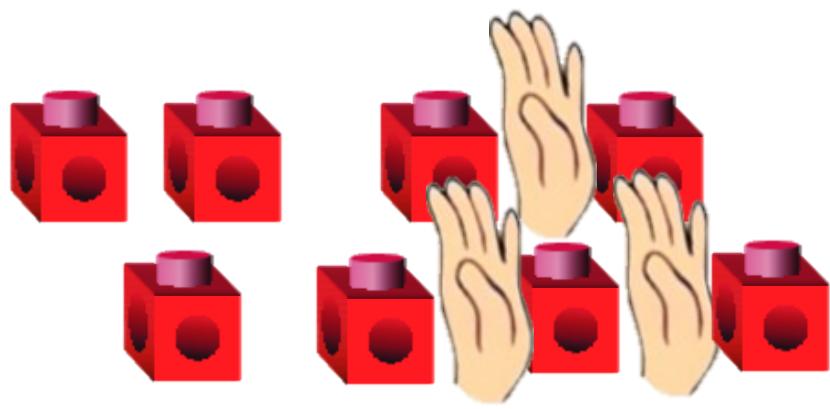

$$7 - 3 = ?$$

$$7 - 3 = 4$$

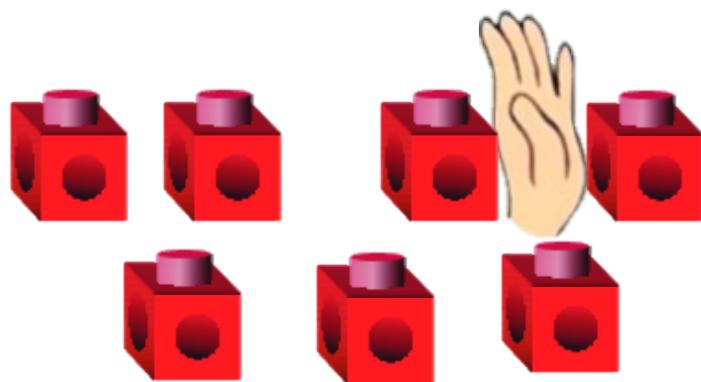

$$8 - 3 = ?$$

$$8 - 3 = 5$$

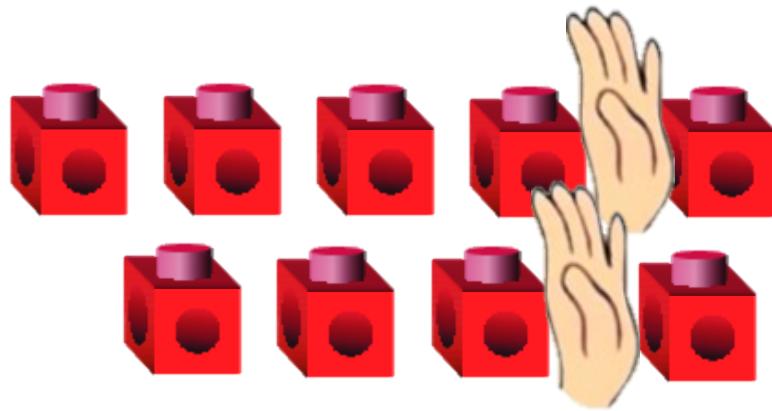

$$7 - 1 = ?$$

$$7 - 1 = 6$$

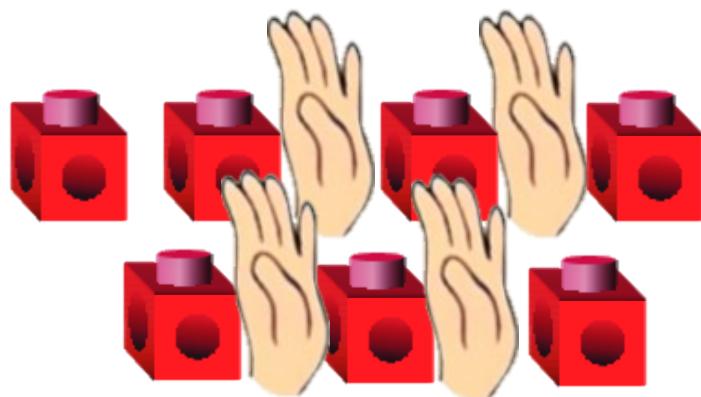

$$9 - 2 = ?$$

$$9 - 2 = 7$$

$7 - 4 = ?$

$7 - 4 = 3$

Thư giãn

1. TÍNH

PLAY

A vibrant outdoor scene featuring four happy children interacting with a large wooden sign. The sign displays the subtraction equation $10 - 4 = 6$. The children are dressed in colorful clothing: a boy in a red shirt and blue cap, a girl in a pink top, a girl in a yellow top and blue overalls, and a boy in a green shirt and brown shorts. The background includes a white picket fence, a house, trees, and a bright blue sky with clouds. A small flower bed with sunflowers sits at the base of the sign.

2. Tính theo mẫu

Mẫu : $6 - 2 + 1 = ?$

Sáu trừ hai
bằng bốn.

Bốn cộng một
bằng năm.

$$6 - 2 + 1 = 5$$

$$10 - 1 - 4 = 5$$

$$7 - 3 + 4 = 8$$

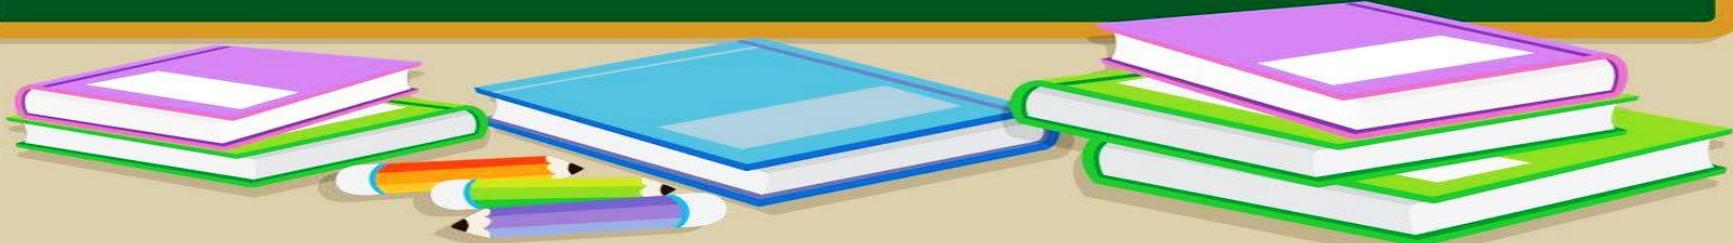

$$6 + 4 - 3 = 7$$

$$5 + 3 + 2 = 10$$

Trừ bằng cách đếm bớt

A vibrant outdoor scene featuring four cartoon children. A boy in a red shirt and blue cap stands behind a large wooden sign that reads "10-2 = 8". To his left, a girl in a yellow shirt and blue overalls stands next to a small green bush. To his right, another girl in a pink top and black hair stands on the sign. In front of the sign, a boy in a green shirt and brown shorts holds a red apple. The background includes a white picket fence, houses, trees, and a blue sky with clouds.
